NEW STRESS GENE POLICY

Following a recommendation from the United Duroc Swine Registry Board of Directors, the National Swine Registry Executive Committee adopted the following policy at their March 2003 meeting: "AS A REQUIREMENT FOR REGISTRATION OF LITTERS THAT ARE FARROWED ON OR AFTER JULY 1, 2004, ALL SIRES (DUROC, HAMPSHIRE, LANDRACE AND YORKSHIRE) MUST HAVE A NEGATIVE STRESS STATUS ON FILE (BY DNA TEST OR PARENT VERIFICATION) BEFORE THE LITTER CAN BE REGISTERED." NO ANIMALS WILL BE GRANDFATHERED IN WITH THIS POLICY.

NSR To Release New Swine Judging and Evaluation Handbook

NSR recently sent a revised version of our popular Swine Judging and Evaluation Handbook to the printer and copies should be available in the next couple weeks. The updated version expands the scope of this valuable teaching tool, as it includes an expansive list of swine terminology which can be used in oral reasons. This is in addition to educational information on utilizing performance data, traits to be evaluated, taking notes and answering questions. You will also find four classes of hogs complete with placings and written reasons. Contact the office to get your copy of this valuable handbook.

Robin's Review

WOW! Spring is in the air again!! We are very excited to offer the new Pedigree Search on our web site. Don't know the pedigree on a boar you're considering using, or want to find out how the champion at the Summer Type Conference was bred - just go to the web site and look it up.

Want to take advantage of the heavy traffic at the NSR website by advertising on the web? Just give me a call for rates. We can help you with an ad; use your ad from the magazine or we will design a home page especially for you. Check out our web site (www.nationalswine.com) and then give me a call or e-mail chas@nationalswine.com.

We are approaching pig sale time again. Please remember to transfer the pigs to the new owner. Transfers made within 30 days of the sale are **FREE**, while 31 to 90 days are \$1.00 and anything 91 days and over is \$5.00. We mail transfers back to the person who mailed them to us, unless you request otherwise. Transferring the pig in a timely manner is a great way to say 'thank you' to the person who purchased from you.

SEEDSTOCK EDGE Bound Copies Available

We have a limited number of bound copies of the 2001 & 2002 issues of the SEEDSTOCK EDGE available. The cost is \$25.00, plus shipping. If you are interested in receiving a bound copy, call Mike Paul or Elaine Hughes at (765) 463-3594.

NSR Executive Committee Representatives Elected

Two new representatives and one incumbent were elected to the NSR Executive Committee at the NSR annual meetings held on March 11-12. Doug Stewart of Iowa was elected to represent the Duroc breed; Earl Cain, also from Iowa, will serve as one of the Hampshire representatives; and Dr. Todd See from North Carolina was re-elected to serve a second term from the Yorkshire board. Other members of the Executive Committee include: Randy Shipley, OH; Dan Simpson, CA; Brent Bolen, IL; John Penner, NE; Max Waldo, NE; Al Snedegar, MI; and Dave Walter, IN.

NSR HIRES JUNIOR ACTIVITIES SUMMER INTERN

NSR is pleased to announce that Brian Arnold of Liberty Center, Indiana has been selected from a strong group of applicants as the 2003 Summer Intern to assist with NJSA activities. Brian is completing his sophomore year at Black Hawk East College, majoring in Agri-business. He has been an active participant in NJSA activities, attending the 2002 National Youth Leadership Conference and as an exhibitor at the 2001 and 2002 NJSS. He currently is a member of the Black Hawk Livestock Judging Team and holds several leadership positions in campus organizations. We are looking forward to having Brian on staff for the summer months.

UltraCROSS Swine Breeding Solutions

UltraCROSS Swine Breeding Solutions is ready for You! We have completed the Breeder-Supplier Manual outlining the details and requirements of the program. Contact the NSR office if you would like to review the information and join this commercial seedstock marketing effort.

UltraCROSS and its predecessor, Pyramid Swine Genetics, have marketed commercial seedstock for 44 breeders over the past several years. The program continues to grow as we focus on key influencers such as veterinarians, feed personnel, consultants and management companies.

Pork Quality Alliance

National Swine Registry has begun to coordinate regular cut tests to evaluate pork quality in our pure genetic lines. Currently, we are scheduling tests at: Routh Packing, Sandusky, Ohio; SiouxPreme Packing, Sioux Center, Iowa and Farmland Foods, Monmouth, IL. Contact Rick Pfortmiller at the NSR office to be included in the contact list when dates have been confirmed. Together, we can assure that we have the Genetics of Choice for the Meat of Choice!
